

Guarantees

Original

Each Delacroix-Chevalier instrument will be sent to customers with a quality seal, certifying the authenticity of its production and control process under Delacroix-Chevalier exigencies.

Guarantees

Delacroix-Chevalier products are manufactured using high-standard equipment and materials, conformed to existing norms, following good engineering practices, by high skilled individuals. Our surgical instruments are guaranteed time and material against any manufacturing or material defect. This warranty is valid until the year engraved on each individual instrument and is preceded by the associated symbol :

Following the maintenance instruction will lengthen the longevity of DC instruments even after our guaranteed period of time.
